Dear Members and Friends,

July 15th , 2024

Bonjour, Grüezi, Buongiorno, Allegra,

Dear club members and friends,

I hope my letter finds you all doing well, and in the shade somewhere 😊 during these hot summer days.

We are preparing this year's Swiss Bundesfeier picnic for Saturday August 3rd. This to permit some of you to attend the Pennsylvania NHS picnic scheduled for July 27th in West Chester PA.

Robin and I are inviting all of you to our backyard to enjoy good food and great company 😊.

Our last meeting, the Spring luncheon held at Barone's Tuscan grill was very successful, we had a good attendance as the picture attests. I included the Pro Patria badge in my letter. Again a really creative way to remind us of Switzerland. These "Wanderwegweiser" signs are found throughout hills, valleys and mountains helping the tourists who enjoy walking find their way.

The numbers on the signs next to the chosen location indicate how long it will take you, the average walker, to reach your goal walking at an average pace. This will permit you to ensure you catch the next train or bus to a new destination. As a kid with my siblings, we walked many miles following the signs in the mountains on weekends and during summer vacations with my parents as guides.

I included a list of foods that were prepared by the members on previous occasions, please let us know by August 1st what you are planning on making/bringing. The picnic is BYOB, you may bring your “poison” and share with others.

I will pick up the bratwürst as usual.

I hope to see you all on August 3rd.

Respectfully

Paul Zürcher

President
