

NHS Hike, May 27, 2017

Dear Hikers,

Our next hike is at the Historic Fort Washington State Park on Saturday May 27, at 1:00pm (rain date: Sunday May, 28) same time.

We will meet at the Parking Lot # 5, which is next to the Hawk watch platform off 420 Militia Hill Road, Fort Washington, PA.

It will be a two hours hike. The trail is easy with few gentle hills, open fields, meadows, woods and along the Wissahickon Creek. There are a number of rest areas along the trail as well. Wear sneakers or hiking shoes. Bring water and light refreshments.

Optional! After the hike we will stop in a restaurant (to be determined) for some "Gemuetlichkeit."

Please let me know by e-mail if you are planning to join us, so I have some idea how many hikers we will have.

In case of inclement weather I will decide by 10 am for a go or no go, and let you know by e-mail, or call me at 302-239-2125, Cell 302-377-7818
