

Pictures! & Pricing

This is where we'll put pictures of us for the pamphlet next year!

Can't wait to see your faces right here!

BUCKS COUNTY RIVER COUNTRY
2022 INDIVIDUAL AND GROUP RATES

All rates are per person. Group rates apply to 20 or more people. Parental signature required for anyone under 18. Trip lengths are approximate. River level and wind will affect times. You may stay out as long as you like but you must be in by closing time. Rates include sales and/or admission taxes. Advance reservations and ticket purchases must be made in advance on our website. Tubes and boats cannot be combined. We have different drop-off locations.

Young Adult Advisory Council

of the New Helvetic Society
Presents its...

Inaugural Tubing Day!

August 27, 9:30 AM weather permitting

Tel: 215 852 1700 Email: Kova31@gmail.com

Text/Call/Email Karina with your RSVP!

Motivation

The young advisory council is always looking to create more events that appeal to everyone in the Swiss Club. We recognize that the future of the club depends on strong and active participation from all of its members, including those

on the younger end of the spectrum. It is with that goal in mind that we seek to introduce new events to keep the bonds and relationships developed in the club as strong as ever. Since

some of our younger members may not be able to afford to participate in all events, if you hold the Swiss Club near and dear to your heart and would like to donate to the fun of this and future events, please don't hesitate to reach out to Dolf at

Secretary@MySwissClub.org

The Plan

Please show up at Bucks County River Country at 9:30 AM on Saturday August 27.

2 Walters Ln, Point Pleasant, PA 18950

We will be doing the 3 hour loop

Please Bring:

Water and whatever else you would like to drink

A hat (there's no shade)

Sunscreen

Towels (left in the car)

Your own tickets

Your completed waivers

<https://www.rivercountry.net/liability-waiver-form.html>

\$7 Cash for parking

A packed lunch or money for the Hotdog Man (more on this below)

Rope if you would like to tie tubes together

The Details:

We park our cars at the bottom of the tubing adventure. Once everyone is checked in and has a tube, a bus will drive us to the top of the adventure and drop us off (~10 am). We float to the bottom, where our cars are waiting for us. Children >3 are welcome. Children <14 must wear a life jacket

Food: Half way down the river trip, there is a stand that sells hotdogs and hamburgers and nachos and vegetarian options. They even accept soggy dollars or credit card! There are picnic tables there and you can order food from the hotdog man, or you can bring your own lunch. Just remember to put it in a waterproof container!

Costs:

Current cost is \$46 per adult, \$36 per child.

If we can get 20 people together, we can get group pricing for \$37 per adult, \$27 per child.

Unless we get a group of 20 people together, everyone will be responsible for getting their own tickets.

Therefore, please let me know if you are interested in attending no later than August 15.

If we can't get 20 people together, groupon frequently runs deals
